## HIGH PROTEIN BAR

### ABOUT US

Battle Bites has been developed to have the appeal of a traditional chocolate candy bar in terms of providing a tasty snack which feels indulgent, but with the bonus of being low in sugar whilst providing high levels of protein and fibre.

### OUR CONSUMERS

We want to contribute to healthier lives. Whether you're blazing a new trail, tackling an intimidating rock face, or ascending from base camp – Battle Bites are there to sustain energy levels and provide sufficient protein for efficient recovery.

### OUR FUTURE GOAL

As we grow our healthy, high protein snack brand, we hope Battle Bites will give consumers the tasty, nutritious option they want, and we're looking for new outlets, both retail and vending, so that people can enjoy them, wherever they are.

### **HIGH PROTEIN**

Our dessert like bars are all high in protein. A convenient way to consume additional protein throughout the day.

### **LOW IN SUGAR**

All our bars are low in sugar for a guilt-free snack, delivering the satisfaction of a sweet treat.

### **BITE-SIZED PIECES**

All our bars feature TWO individual bites! Great for sharing or save half for later.

**BEST BITE, BEST BUY**

*Natalie on May 28, 2021*

Battle Bites are the best protein bars around, having tried many over the years these are now both mine & my husbands fav bars, we are hooked and wouldn't buy elsewhere after discovering these protein bars!

For someone who trains but also has the biggest sweet tooth these hit every spot, upping my protein and totally delicious to hit my sweet needs, having tried them all, top 3 favs are Caramel, Mississippi Mud Pie and Cookies Cream!

**BEST BY FAR!**

*Lisa Paterson on MAY 27, 2021*

I've tried lots of different protein bars as a diabetic I don't eat lots of sugar so these are perfect in aiding weight loss without feeling deprived of something sweet. I have them for breakfast, after a gym session, as a snack and even after a few seconds in microwave as a dessert!

They are the best texture and taste by far! Couldn't pick a favourite but it would be between toasted marshmallow and glazed donut but I genuinely do love them all.

Reasonably priced too in comparison to some other bars available.

**BEST PROTEIN BARS**

*Melissa on May 18, 2021*

Absolutely love these protein bars. They are my daily go to for an on the go snack to fuel my body and reach my daily protein intake.

Absolute staple in my cupboards

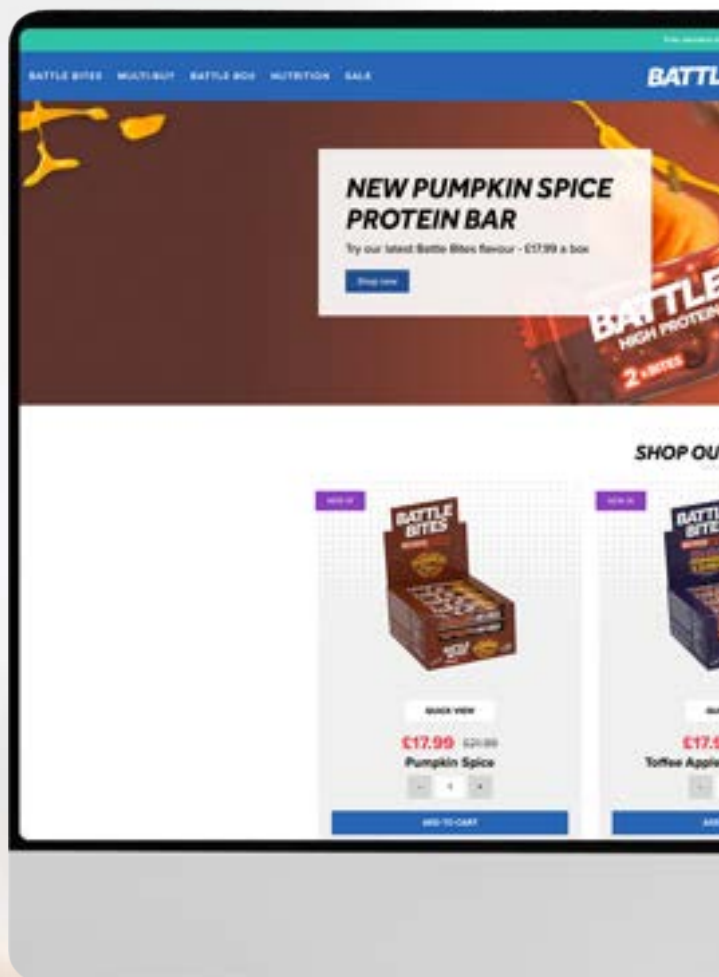

**AMAZING INDULGENT GOODNESS**

*Joseph Corbin on NOV 05, 2020*

I absolutely love these, there's now way you would ever know there's less than 3g of sugar and 20g of protein. The perfect snack to cure your chocolate/sugar craving.

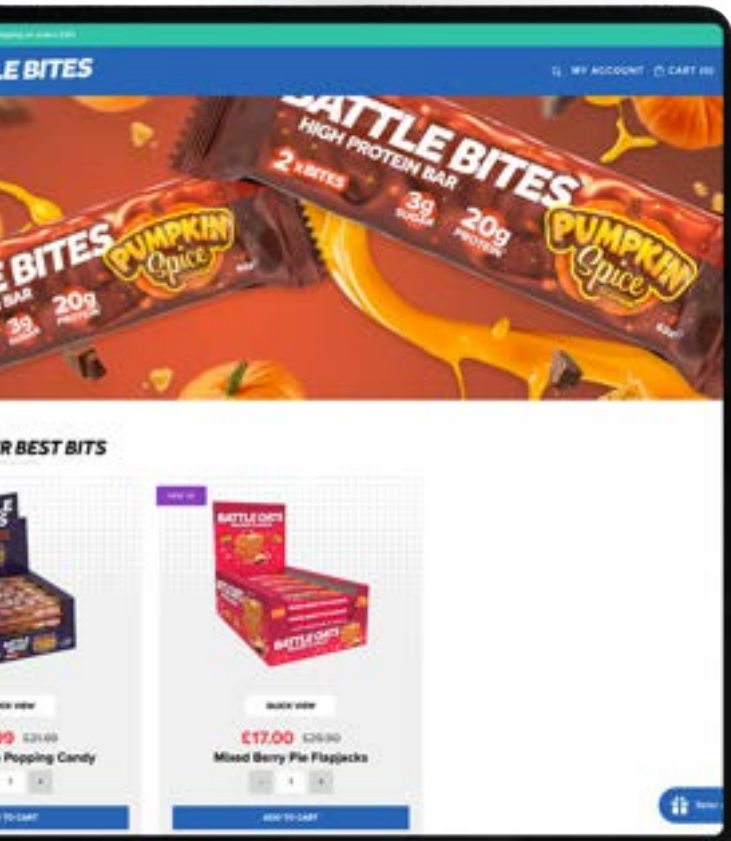

I'll be subscribing to these without a doubt.
